Section 9. The City and County of San Francisco shall have power to sell all lands owned by the City and County, excepting lands for parks, squares and children's playgrounds, and subject to the restrictions contained in Sections 11 and 12 of this chapter, and the Board of Supervisors of said City and County may by ordinance determine that the public interest or necessity demands the sale of such lands so owned or held by the City and County.

Such ordinance must describe the lands to be sold, and the terms of sale which must be for cash in United States gold coin. The land may be sold in one parcel or in subdivisions, as the Supervisors may in such ordinance determine, and sales shall be made by the Mayor as hereinafter provided.

Every such sale must be at public auction, unless the Supervisors shall, in and by such ordinance, determine that all or a portion of such lands shall be sold at private sale.

When a sale at public auction is to be had, the Clerk of the Board of Supervisors must give notice thereof by publishing the same in the official newspaper, and one other daily newspaper published in the City and County, at least three weeks successively next before the sale, which said notice shall describe the lands to be sold with common certainty.

Such sales at public auction must be made in the City and County and must be between the hours of 9 o'clock in the morning and 5 o'clock in the afternoon, and must be made on the day named in the notice of sale, unless the same is postponed.

When it shall have been determined by the Supervisors, as hereinbefore provided, that the sale of such lands shall

be at private sale a notice shall be published in the official newspaper, and one other daily newspaper published in the City and County, for two weeks successively next before the day on or after which the sale is to be made, and the land and tenements to be sold must be described therein with common certainty. The notice must state a day on or after which the sale will be made, and must state that all bids or offers will be received by the Mayor of the City and County, at this office. The day last referred to must be at least fifteen days from the first publication of notice; and the sale must not be made before that day, but must be made within six months thereafter. The bids or offers must be in writing, and must be filed with the Mayor at his office.

No sale of real estate at private sale shall be confirmed by the Supervisors as hereinafter provided unless the sum offered shall be at least 90 per cent of the appraised value thereof, to be fixed and determined as next hereafter provided.

An appraisement of such lands shall be made and filed with the Supervisors, within three weeks after the final passage of the ordinance hereinbefore mentioned, by the Mayor, the Assessor, and the chairman of the Finance Committee of the Supervisors, who are hereby constituted a board of appraisement for such purpose.

When a sale shall have been made by the Mayor, at public auction or at private sale, as hereinbefore provided, he shall require from the person to whom the property is sold a deposit amounting to 10 per cent of the sum bid. He shall immediately thereafter at the next meeting of the Supervisors, report the fact of such sale to the Supervisors with a statement of the sum bid and the name of the bidder, with a request that the Board confirm such sale.

The Clerk of the Supervisors shall immediately thereupon give notice by publication in the official newspaper, and one other daily newspaper published in the City and County, that at a meeting of the Supervisors, to be not less than twenty nor more than thirty days from the first publication of such notice, that such sale has been made, the amount for which the property has been sold and the name of the purchaser. Such notice shall also contain a statement that at such meeting, if an offer of 10 per cent more in amount than that named in said notice shall be made to the Supervisors, in writing, by a responsible person, the Supervisors will confirm such sale to such person, or order a new sale as hereinafter provided.

At such meeting, if it appears to the Supervisors that the sum bid is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained, or if an increased bid, as hereinbefore mentioned, be made and accepted, the Board of Supervisors may, by an ordinance, passed by an affirmative vote, of at least fifteen of its members,

confirm such sale, and direct conveyances to be executed by the Mayor. A certified copy of such ordinance shall be recorded in the County Recorder's office in the county in which the property is situated.

The Board of Supervisors may, in its discretion, confirm or refuse to confirm any sale.

In the event of the refusal of the Board of Supervisors to confirm the sale all proceedings taken as hereinbefore provided for the sale of the lands shall be void and of no effect.

If the sale is confirmed by the Board of Supervisors, conveyances must thereupon be made by the Mayor to the person to whom the sale shall have been so confirmed and shall be delivered to him upon payment of the balance of the purchase price. Such conveyances shall be in the name of the City and County, and shall be effective to convey all the right, title and interest of the City and County in and to the lands therein described to the grantee therein named.

Section 11. Whenever the Board of Education shall by resolution determine that any of the lots of land reserved or dedicated for school purposes are inadequate or unsuitable for school purposes or for use as sites for school buildings and that the public interest or necessity demands the sale thereof, said Board may recommend to the Mayor that such sale be made. If the Mayor shall concur in said recommendation he shall report the same to the Board of Supervisors and said Board shall make such sale in the manner provided in Section 9 of this Chapter. The proceeds arising from such sale shall be used exclusively for the purpose of purchasing lands for school purposes or sites for school buildings or for additions to existing sites for school purposes.

That a new section be added to Chapter II of Article II to be numbered Section 12 and to read as follows:

Section 12. Whenever the Board of Fire Commissioners shall, by resolution, determine that any of the lots of land reserved for Fire Department purposes are inadequate or unsuitable or no longer necessary for Fire Department purposes or for use as sites for fire houses and that the public interest or necessity demands the sale thereof, said Board may recommend to the Mayor that such sale be made. If the Mayor shall concur in said recommendation, he shall report the same to the Board of Supervisors, and said Board shall make such sale in the manner provided in Section 9 of this Chapter. The proceeds arising from such sale shall be used exclusively for the purpose of erecting fire houses or purchasing lands for Fire Department purposes or sites for fire houses or for additions to existing sites for Fire Department purposes or to fire houses.
